Motion 092021-01 by Sarah R. to approve 8/16/21 meeting minutes, Seconded by Danelle L. No discussion, all in favor.

****Agenda Item:** *Discuss and Review Image Data Proposal*

The board discusses the proposal from Image Data Inc. The board is waiting on a second proposal from Iron Mountain for the same services, to also include the storage of the maps after scanning is complete. Both proposals will be discussed at the next meeting, hopefully committing to a company for submittal to the Board of Selectman.

****Agenda Item:** *Informally discuss 7 Cordially Colony*

The board initially received an application for an ANR that was expected to be on this agenda. The applicant needed updated surveyed plans before going forward with the ANR, so that application is pending. Once the board received those plans, the applicant will be placed on the agenda.

****Agenda Item:** *Old County Rd. discussion*

Danelle L. made the board aware of an email that she had received from a concerned resident about the work being done on Old County Rd. **Sarah R.** informed the board that she had reached out and spoke with the owner of the lots, informing them of her position and opening that line of communication. The board discussed the potential project that could come before them, if anything is submitted to a different department they wished to be informed.

The next Planning Board meeting is undetermined, the board may deviate from regular scheduled meetings times due to conflicting schedules of board members.

Danelle L. makes a motion to adjourn the meeting at 6:52 P.M.
