We are collecting information to find out the interest in a local Covid-19 vaccination clinic. We will need to have at least 200 people in order to be able to hold a vaccine clinic, so there is no guarantee that we will be able to do this. If you are interested in receiving the vaccine at a local clinic for Covid-19 when it becomes available, please fill out this form and either email it to COA@townofwales.net or mail it to
