For this meeting, members of the public who wish to listen may dial into the meeting. (This phone number is only active for the public during public meetings). No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on the Town's website an audio or video recording, transcript, or other comprehensive record of the proceedings as soon as possible after the meeting.
