Additional Flyers and Partnership Events:

The Office of Economic Empowerment is hosting a yearlong virtual webinar series this year called the 2021 EqualPayMA Roundtable Series. We are highlighting equal pay days affiliated with different demographic groups, in addition to hosting general conversations regarding the [shecession](#).

The purpose of this series is to:

- Discuss how the pandemic has influenced the wage gap
- Highlight the current state of pay inequity, leading to financial pitfalls for women and how certain industries were overwhelmingly affected by the *shecession*
- Reflect on where we've come in the five years since the Equal Pay Law was passed in 2016
- Strategize with *key stakeholders, employers and chambers of commerce* on what we need to do to prevent a future *shecession*

It's about (paid) time (off)!

IS MA'S PAID LEAVE BENEFIT FOR YOU?

No one should have to choose between their job and their family, or their own health. MA's paid family and medical leave program becomes available in 2021, and most MA workers have the right to take paid leave. In this presentation, attendees will learn more about their rights under the law, who is covered, how the program works, and what benefits are available to individuals and families under this program.
