Monson Road Plans: Design Fees

Because the anticipated early November Special Town Meeting would come too late in the season to begin topographical surveying needed for the Monson Road project, 25% plans are required before February 2018 in order for MASS DOT to move that road reconstruction project forward without substantial delay. The Select Board will discuss authorizing an immediate start of that work in anticipation of an affirmative STM vote next month to fund it, but also guaranteeing payment of the initial work with funds from Norcross Gift Account and Chapter 90.

Establishing a Historic Commission
