Capital Improvement Planning Comm. Position Posting

Dec. 8, 2017

The Capital Improvement Planning Committee is seeking one new member to fill the At-Large position. Position may be filled by any resident of Wales who is not already a member of the BOS, Planning Board, Finance Committee or School Committee.

The At-Large member will, with other committee members, assist in compiling an inventory of Town capital assets, review and prioritize potential capital purchases & upgrades, and assist in the preparation of the long-term Capital Planning Schedule. The At-Large member may also be requested to perform some research and share findings with other committee members. Experience relating to grant research, knowledge of heavy equipment, or project planning is helpful, but not required.

Member must be available to attend committee meetings which are currently held on an as needed basis. All meetings are posted on the town website.

Interested applicants should email a letter of interest to select@townofwales.net or mail to:
