## FOOD VENDOR FORM A2

### Food Service Organizations are to comply with the following:

1. You must file a permit with the **Board of Health along with a copy of your ServSafe and Allergen Awareness Certificates**. Must be submitted at least 30 days prior to the event you will be participating in.
2. Wales Fire Department Regulations require a 5# ABC fire extinguisher must be in your booth. If you are using propane gas you are allowed only to have a 20# tank. All hoses must be free of leaks (check with water & soap in a spray bottle). All gas fittings are to be free of cracks. Etc. A "K" Agent fire extinguisher is required if you are deep-frying.
3. File an All Vendor Application Packet with Wales Olde Home Day prior to the event.
4. If you have any questions regarding handling of food please contact the Wales BOH.
5. All vendors are required to have hand sanitizer at each booth
6. All vendors are required to wear food-approved gloves when handling food and/or beverages
7. Must have a different individual to handle money / Or NOT USE food preparing gloves
8. **SMOKING** is strictly prohibited at any food booth
9. All Food Safety Guidelines must be followed

I hereby will follow the State & local Board of Health Rules and Regulations and Town of Wales Olde Home Day comments and rules as outlined within this application packet.
